**Cash Market Margins:**

In the case of Institutional clients, all transactions executed on the stock exchanges have to be settled by their local custodian through the clearing house / corporation of the exchange. In such cases, the funds / securities obligation is with the custodian. In case of conversion of institutional trades to DVP, the trades are settled with the local custodian.

In the case of HNI / Corporate / Retail clients, QIEPL has a robust mechanism for ensuring availability of funds and securities towards settlement of transactions. Clients can maintain margins in the form of cash and securities. Appropriate haircuts are applied to the securities accepted as collateral.

In case of QIEPL employees or their relatives accounts no margin is collected as they have to obtain preclearance for execution of such trades as per the company's rules and procedures.

**Futures & Options Segment margin:**

As per SEBI and Exchange rules and regulations, margins are collected upfront from the clients. Clients can maintain margins in the form of cash, fixed deposits and Exchange approved securities. Appropriate haircuts are applied to the securities accepted as collateral. MTM, premium and assignment amount is collected in the form of cash.

For those clients who have not granted a limited power of attorney to the Company, margin is collected by way of cash and / or security deposited in QIEPL'S constituent account.

QIEPL has the absolute discretion to change the above based on review of the risk management framework and/or any changes in the regulatory framework/settlement mechanism, etc.
